

"Ship of Life"

Partners In Progress

The Ship of Life is now operating 100 miles north of Phnom Penh, Cambodia, providing health care Hope for the very poorest people of Cambodia. Seeing 100 patients per day we are bring dental and medical care to people that have basically done without all their lives. The Lord is being glorified, people are seeing the Love of Jesus and His church is growing. You have helped make this possible through your prayers, gifts and encouragement. In the names of those being assisted we say thank you.
